Who are Bosch?

“I have always acted according to the principle that it is better to lose money than trust. The integrity of my promises, the belief in the value of my products and in my word of honour have always had a higher priority to me than a transitory profit.”

Robert Bosch, 1921

For over 125 years, the Bosch name has been synonymous with engineering excellence. Our home appliances are renowned for their quality, reliability and performance which derives from our inherent, unflagging commitment and the painstaking thoroughness with which every unit is made. As you would expect from Bosch, there are no gimmicks or frills with our products – just pure, clean lines and beautiful, functional simplicity that will enhance any kitchen.

The values that shaped Robert Bosch's vision for his new company in 1886 are the same principles that guide the business today; never lose the trust of your customers, look after your staff and partners and change things for the better. It's what has kept Bosch at the forefront of the home appliance industry and what will keep it there in the future.

Looking for help? You'll find it here.

For help with your home appliance, trust Bosch Customer Service.

Arrange an engineer visit.

Our appliances are manufactured to the highest standards, but if you do need a visit from an engineer we are here to help. We have teams of locally based engineers around the country – employed and trained by Bosch*. This gives them unrivalled expertise and knowledge of our appliances. We repair appliances both in and out of guarantee. All repairs are analysed in advance by a technical team so that the parts likely to be needed to complete the repair are sent to the engineer's van the night before the visit.

To arrange an engineer visit to your home please call:
+3538 (1) 4502655 - ext 1
Lines are open 24 hours.

Product advice.

If you need help using programmes or features, or need assistance selecting a new Bosch appliance from our current range, our product advice team can help.

You can call us on
+3538 (1) 4502655 - ext 3
or visit: bosch-home.ie
for frequently asked questions and helpful videos.

Visit the Bosch online store.

Find a comprehensive selection of accessories to help you get the most out of your appliance, along with our full range of replacement spare parts and cleaning and care products at the Bosch online store.

You can also purchase Tassimo hot drinks machines, vacuum cleaners, irons, steam stations, kettles, toasters and food preparation appliances directly from us online.

Register my appliance

We advise that you register your appliances so that we can contact you about any product updates. Visit registermyappliance.org.uk for more information.

You can also call Bosch directly to register your appliance on 0344 892 8979 (option 5). Please call us within 28 days of purchase to discuss the full range of options for extending your warranty.

High quality service.

Bosch home appliances are renowned for their quality and we believe that our customers deserve exceptional customer service. You can contact us seven days a week for assistance.

Calls will be answered
Monday to Friday 8am to 8pm,
Saturday 9am to 5pm and
Sunday 9am to 4pm.

*In some areas we may use an approved service partner. The process may vary for repairs carried out by our service partners.

Accessories.

Many appliances can be enhanced with optional extras, such as telescopic rails for ovens or special cookware for hobs.

When buying a Bosch home appliance, you know you are purchasing a quality, reliable product. However many appliances are used daily, so need cleaning and maintaining to keep them looking great and operating at peak performance.

Our cleaning and care products have been thoroughly tested and approved for safe and effective use on your Bosch home appliance.

Replacement spare parts.

We keep in stock a comprehensive range of replacement spare parts for our appliances for up to ten years. All our parts are original spare parts, not copies.

You can call us on
+3538 (1) 4502655 - ext 1
or visit: bosch-home.ie/store

2 Year Warranty*

2 year manufacturer's
warranty on all Bosch
home appliances

*Customers must register their purchase in order to make a claim under warranty

 **BOSCH**
Invented for life

Introducing the Bosch oven range.

Whatever kind of cook you are, we have a range of smart and stylish built-in single or double ovens for you to choose from. Serve up vitamin-packed meals using one of our innovative added steam ovens or, if limited on space, our easy to use microwaves and compact appliances will bring style and function to any kitchen.

Serie 8

+++

With their impressive technology, elegant design and sensor-controlled programmes, our Serie 8 ovens meet every need and more in the kitchen. The innovative control wheel provides full control over your dishes at all times.

Serie 6

++

Simple elegance meets superior technology. Serie 6 ovens give you more than just convenient operation and maximum energy efficiency. Modern functionality means your oven is easy to use with various programmes to suit different foods.

Serie 4

+

Modern design, quality engineering and practicality. Our Serie 4 oven range looks stunning inside and out. Easy to use functionality with a selection of cooking programmes to choose from.

Model shown: HB5534BW0B

Cooking functions explained.

4D HotAir

Place your food on any of the four shelf levels to achieve consistently perfect results: thanks to the fan wheel that changes the direction of rotation during operation to distribute heat evenly on every level.

3D HotAir

By maintaining the right temperature across all three shelf levels, consistently even cooking results are achieved.

Top and bottom heat

Conventional baking and roasting on one level.

Top/Bottom heat gentle

Conventional baking and roasting on one level using residual heat, allowing you to gently cook meat, fish and baked items.

Hotair grilling

By operating alternatively, the grill and fan create a rotisserie effect, perfect for creating crisp meats and poultry.

Bottom heat

Only the bottom element is heated – ideal for pastry cases, bain-marie cooking and reheating.

Pizza setting

Create authentic pizzas with crisp bases and moist toppings. Also great for quiches, tarts and frozen foods.

Centre Grill

Use the centre grill for smaller quantities and more efficiency.

Whichever model you choose from our Serie ranges, you'll find lots of reasons to love your Bosch oven.

Combination design.

Using the highest quality stainless steel and glass, our ovens and compact appliances combine beautifully to deliver a timeless, elegant and stylish finish to any kitchen with sleek, co-ordinated lines and matching panels.

Combination possibilities.

Create seamless lines in your kitchen with our Serie ranges by combining a single oven together with one of our compact appliances and warming drawers. For the optimum in design co-ordination, choose appliances belonging to the same Serie family to create seamless lines in your kitchen.

Energy efficient.

Everything we know about energy-saving, green technology has been integrated into our range of feature-rich, built-in ovens.

Perfectly even results, every time.

Truly perfect baking and roasting requires not only the ideal temperature, but also the appropriate heating mode. From 4D HotAir to Hotair Gentle, our ovens offer up to 15 different heating functions that deliver great results, whatever the dish.

Model shown: HBA5570S0B

Hotair Gentle

For all those times you cook using just one shelf level, Hotair Gentle gives perfect results.

Full width variable grill

Grill large quantities with ease thanks to the precise temperature control. For added efficiency the door can be closed and the smells are kept in the oven.

Defrost

Gently defrosts food evenly and quicker than it would take on the kitchen counter.

Fast heat

For those times when you need your food ready more quickly, select fast heat to warm the oven faster.

Single point probe

The single point meat probe constantly measures the temperature at the core of the roast and as soon as the desired temperature is reached gives an acoustic and switches off automatically.

Perfect Roast Meat probe

Three highly sensitive measuring points determine the core temperature of your food to the exact degree, guaranteeing perfect roasting results and taking away the guesswork.

Added Steam

Produces succulent roasts, with juicy meats and crispy skins, as well as breads with the perfect colour and crust.

Pyrolytic cleaning

Heats the oven to around 480°C, which reduces dirt and grease deposits to dust that can be easily wiped away.

Introducing the Bosch compact oven range.

Fits every kitchen. And every need.

Our range of compact appliances are the stand-out choice. Not just because of their superior performance and convenience, but also because their sophisticated design extends down to the smallest detail. They combine beautifully to deliver a timeless finish to any kitchen. Whether your preference is for a steam oven or a microwave, our compact ovens are designed so that you can team them up with other compact appliances, warming drawers, and single ovens within our Serie families. They all fit together in complete harmony.

Ovens with integral microwave ¹

When teamed with a single oven, Bosch compact ovens with microwave offer a great alternative to a double oven if you require more space for traditional cooking. Designed first and foremost to function as an oven, with construction, features and functions identical to a traditional single oven, these models benefit from the addition of microwaves at low medium power (max. 360W) to deliver oven-led combination cooking, which speeds up the cooking process while retaining traditional cooking results.

Microwave Combination Ovens ¹

These models are designed to provide more functionality than a solo microwave oven, focussing on combination cooking, with the microwave using higher power (max. 600W) to lead the cooking process, supported by Hotair or grill functions to deliver speedy crisp and browned results. Based around a more traditional microwave functionality these models offer the perfect solution if regular microwave heating is the priority, but with the back-up of separate or combination Hotair cooking and grill functionality if required.

Inverter Technology

Inverter Technology delivers microwave power constantly while cooking – other, traditional microwaves, are only able to deliver maximum power and manage the differing settings by alternating between on and off for specific time periods. This can result in uneven heating or over-cooked food and can be especially damaging to more delicate foods or smaller portions.

With Inverter technology, the microwave delivers power constantly, gradually managing the power levels down over time in order to control the food temperature. This gentle approach to cooking reduces uneven heating or overheated food and is especially beneficial for delicate foods. It may be necessary to adjust cooking times to ensure foods are thoroughly cooked before serving.

Bosch recommends that the maximum power setting be used for heating liquids and the microwave is calibrated to provide a burst of high power initially, before managing the power down in stages to the next level over the first few minutes.

¹ These models are designed to operate best in combination mode, so when heating using microwave only, it may be necessary to adjust cooking times.

Introducing the Bosch hood range.

Offering a blend of function and form, Bosch hoods deliver quiet, effective extraction that makes the kitchen and home a more pleasant environment. Make a bold design statement, or complement a more minimalist look.

To help you choose the right hood, we have divided them into four ranges.

Serie 8 +++

With our **Serie 8** range of hoods experience automatic extraction rate control with **PerfectAir** sensor technology. Our hoods offer high quality craftsmanship combined with cutting-edge technologies to make the kitchen a more pleasant environment.

Serie 6 ++

Ultimate convenience and tasteful design make cooker hoods within our **Serie 6** range an asset to any stylish kitchen. Electronic controls give you ease of use. Experience maximum operating convenience with **DirectSelect** touch controls from Bosch.

Serie 4 +

As the centre of family life, the kitchen needs to have a comfortable atmosphere free of cooking steam and disruptive noise. Our **Serie 4** range of cooker hoods are extremely quiet, easy to operate and impressive with their modern design.

Serie 2

With our **Serie 2** range of hoods, you can be assured of high quality design and features that make your life easier in the kitchen, such as easy-to-use controls and dishwasher proof metal grease filters for greater convenience.

Introducing the Bosch refrigeration range.

Save more, waste less. Our range of built-in fridge freezers save you money thanks to their energy efficiency ratings. They are also packed with innovative technology to keep your food fresher for longer, so you'll throw out less and save on your weekly shopping bill.

To help you choose the right appliance, we have divided them into the four ranges below.

Serie 8

+++

Cutting-edge design meets advanced technologies. All models in our Serie 8 range are packed with energy efficient and labour saving features that save valuable time, effort and money – perfect for modern, busy households.

Serie 6

++

Our Serie 6 range of appliances combines energy efficient performance with convenient storage and superior food preservation.

Serie 4

+

All models in our Serie 4 range combine practical features with Bosch build quality.

Serie 2

Built to keep electricity costs down. With energy efficiency an increasing priority in homes, the Serie 2 refrigeration range is just as efficient as it is value for money.

Introducing the Bosch dishwasher range.

All our built-in dishwashers offer a range of advanced technologies as standard and additional options across the range to suit your individual requirements.

To help you choose the right Bosch dishwasher, we have divided them into the four ranges below.

Serie 8 +++

Our **Serie 8** range combines cutting-edge design and advanced technology. The **A+++** energy efficiency rating of this range is complemented by our **PerfectDry** function where moisture is absorbed before being released as hot air for energy-efficient drying. Exceptionally quiet, offering additional storage and flexible loading solutions.

Serie 6 ++

Our **Serie 6** range comes packed with technology, from energy- and water-saving modes to quick washes for when time is at a premium. They also feature our clever **PerfectDry** function and **VarioFlex baskets** with coloured touchpoints for flexible loading solutions and accommodating the most awkward shaped dishes.

Serie 4 +

Our **Serie 4** range of models offers great value for money but does not compromise on Bosch build quality. They combine advanced energy and resource-saving features. In addition, they offer **flexible Vario** and **VarioFlex baskets** with foldable racks in the top and bottom baskets.

Serie 2

Our **Serie 2** dishwashers offer you the classic design with easy operation. They are the optimal solution for anyone who wants a reliable appliance with good value for money.

Introducing the Bosch laundry range.

Energy- and water-saving technologies across our latest laundry appliances give you peace of mind when washing and drying your clothes. To help you choose the right appliance, we have divided them into three categories.

Serie 8

+++

Perfection in every detail, our Serie 8 range of laundry appliances stands out from the crowd with superior quality, results and first-class design. Discover cutting-edge features and extras such as i-DOS automatic dosing in our washing machines and ActiveOxygen™ for hygienic washing at low temperatures. Monitor and control your wash remotely with our Home Connect models, developed to give you complete control over your laundry.

Serie 6

++

Our Serie 6 models strive for sustainability and appreciate the active lifestyle of you and your family. Appliances in this range offer you real benefits and energy-efficient features combined with timeless design. i-DOS doses each load with millilitre precision, which not only delivers outstanding results but a host of savings. While Night Wash allows you to take advantage of evening tariffs and won't disturb you or the neighbours.

Serie 4

+

Easy to operate with family life in mind, our Serie 4 range truly understands your requirements. Practical and straightforward to use, these appliances combine easy operation with stylish design. Now experience the same quiet and energy-efficient wash cycles as our premium models with EcoSilence Drive™.
